Foreword

Last weeks results gave the competition the boost it needed, although Armadale probably didn't agree. The fight for the finals is really in earnest with only the best surviving. Perhaps the time is opportune for the league to look into the possibility of a final five and thus set a first in W.A. football.

Kalamunda continued their winning run and could be the side to mould the four with some surprise results. Kwinana as always battled hard however they just do not have the all round strength.

Mandurah, as they have often done in the past pulled a rabbit out of the hat and this time the rabbit turned out to be Armadale. Congratulations to all at the seaside. Armadale have really let themselves, their coach, and their supporters down with several losses this season. They have the chance to show one and all their mettle in the coming weeks otherwise their season is wasted.

Canning as expected had little trouble with Thornlie and this win could help them to regain their early season form. Unfortunately Thornlie seem destined to not winning a game although they never give up.

Gosnells fell in, against Kenwick although they did have several key players out and the win was due to their lesser lights performing. It again showed the depth of players this club has. Kenwick put in a very game effort and could be big dangers in 1978.

Kelmscott won because of more desire than their opponents, they got an early lead and although put in a poor second half retained the lead. Maddington desperately need their full compliment of players back so as to regain their earlier poise.

TODAY'S GAMES:

Kwinana v Armadale Armadale.

Kelmscott v Canning Canning by 2 points.

Kalamunda v Mandurah Kalamunda to keep winning.

Gosnells v Thornlie Thornlie could not win.

Kenwick v Maddington Kenwick to provide the upset.

MIGHTY ROYALS

Last week we saw two really good games of football, with the two unbeaten sides in each grade just scraping home to win by very narrow margins. Our reserves won a very tight, hard-fought game by just 2 points. We had a good team of triers last week, and what they lacked in height, they certainly made up for with courage and superior around the ground skills. They teamed together well, especially in the last quarter when Gosnells threw everything at them, and held out long enough to get the 4 points. It was a great team effort, but some players who should get a mention are Angie Firmognari, Ray Shepherd, Laurie Winfield and Darryl Ogg, who rucked tirelessly throughout the last quarter, which helped to nullify the Gosnells attacking moves.

The league game was another great spectacle, with Gosnells just managing to hold on to win by 3 points. Our players tried very hard, and with a bit of luck and better goal-front accuracy, could have snatched victory in the closing minutes. However, this wasn't to be, but we have proved that we can still match the best of them. If not for the results of a few earlier matches, we would be in a much better position today. It was another good team effort last week, and those who stood out were Greg Narrier, Alf Stal, Geoff Truscott, Ray Winduss, Graeme Nicholas and another good first-up game by Arthur Jago.

The ladies night with the fashion parades was a successful night all round and special thanks to all those who arranged, conducted and supported the show. Well done.

There is a gents night at the club next Thursday evening and everyone is expected to do their bit to get rid of the tickets.

All raffle books should be in by now, and if you have books still outstanding, let someone from the social committee know what's going on with them.

Many thanks to George and Bob of Civil Drilling Services for the donation of the First Aid Cabinet. It's probably just what the old Whojah needs. Thanks again fellas.

TALK OF BULL

Last week proved disastrous for the Club with losses in both the league and seconds to Kelmscott.

Although not disgraced, it is still disappointing to lose any game, and doubly so with two losses on the same day.

The games were very similar in that in both cases we were very slow to get going. So much so that by the quarter time change over the seconds were six goals behind and the league five. This lost ground is usually very hard to make up, and particularly so when the side you are playing has a lot at stake. As Kelmscott did last week.

In the Seconds, none tried harder than Wayne "Horse" Congdon. His efforts while rucking against much taller opponents is worthy of mention. Unfortunately our lack of height puts us at a big disadvantage, and becomes very apparent, particularly in the more important games against top sides. While we can't alter this fact we can change our style of play and play to our strengths. This requires a lot of discipline and will need to be worked on if we are to remain a top contender for the seconds flag.

The league team lacked the sparkie of previous weeks and failed to produce any really constructive football. A lot of errors we made which is usually foreign in our game.

The one bright note was the performance of Rod Mohr at centre half back. He was at his aggressive best in this position and held up many opposition attacks with strong marking and clearing kicks. He was one of the few players who handled the ball with any real assurance.

Gary Smit also came under notice with a determined display on the half back flank. He also continued to play well when shifted into the centre later in the game.

While being disappointed with last week's loss, it is now water under the bridge. Our encounter with Kenwick today now becomes a vital game and one which every player must realize the importance of. A win is essential.

SOCIAL: The clubs "Bulls Ball Of The Year" is now only five days away. This will be a great night out so if you haven't already got your tickets, hurry along, see Ross May and organize a table.

In last week's budget I stressed the fact that many raffle books were still to be returned. This message seems to have fallen on deaf ears as there has been little response. Could you please make a determined effort to get them in immediately.

THE BULLDOGS

Last week's games against Maddington resulted in a winning double to the Bulldogs. As a consequence both the league and reserves sides are holding fourth spot on their respective tables. With the same attitude and desire to win that was displayed last week Kelmscott should have no trouble in retaining their position in the four.

Best Players Reserves: A. Creyk, B.P. Armadale Award. D. Emuhausen & A. Stoma.

Best Players League: B. Miles, K. Turner, A. Hildebrandt, K. Barratt, B. Andrijich and E. Donnes.

The Under 18's paved the way for a triple when they defeated the previously unbeaten Gosnells side 8.4 - 7.5. Attitude and application were again the key factors in their great win. Best Players R. Chapman, S. Hansen, R. Markham and E. Blurton. With two games to go the Under 18's are now putting their game together and will be a force in this year's final round.

SOCIAL NOTES:

The management committee would like to thank those artists who participated in the anniversary concert, especially Mr. Bruce Martin and the West Australian Girls Choir. They would also extend their congratulations to the Junior Body for their extremely entertaining and successful cabaret.

KOUGARS

Another win, at the expense of Kwinana, last Sunday but although we won comfortably, and we were happy to record our fifth win, we did not really play that well, in fact, only one quarter, the second, was of the standard demanded by the coach. Five wins equals our best season for several years and with five games to go we must go on and record our best season, ever, since joining the S.S.M.N.F.L. Good performances were turned in by Wayne Barnett, Marty Wattleworth, Jeff Bingham and John Wilson.

The reserves started badly last week, but a third quarter revival brought them back into the game, and just when we looked like taking the lead in the final quarter, down came the rain, and ended any chance we had — however, a four quarter effort would have put the result beyond chance by half time.

Today we welcome Mandurah to Hartfield

THE TIGERS

Last Sunday saw both Canning sides record good wins over the bottom Thornlie side, but while the performance was certainly a much needed morale boosting one, it should not be taken as a guide for today's all important clash with current boom side Kelmscott.

The Seconds marred their otherwise impressive performance with shocking goal front inaccuracy and finished the match with a total of 10 goals 23 behinds. Regular league full-forward and usually immaculate kick Tony Kynam being the main offender with the frustrating total of 5 - 12. Better luck this week Tony! Best players were veteran Colin Treasure, Mick Fitzgerald and Tony Hynam.

Moving into top gear early, the league side kicked 8 - 2 to nil in the first quarter, then slipped into an all too familiar pattern of complacency being content to register a comfortable, but well within themselves win. Best players were Ron Wilcox, who continues to play at his top, Gary Grover, relishing the opportunity back to league ranks and Terry Eaton, who slotted perfectly into the half forward flank position and became the architect of forward line play. Welcome to the club Terry.

As from and including this season, the trophy of Fairest and Best becomes redundant at Canning. Future winners will be known as "Peet Medalists" with the scheme being financed and initiated by Merv Dorsa, Managing Director of P.T. Peet and Son. Pty. Ltd., Real Estate Agents of Victoria Park and Wembley. Winner this year will receive a handsome medal and a no doubt generous cheque from the Peet company. Vic Cizeika, incidentally is the accountant for Peet's and anyone contemplating selling, buying or renting in the future is asked to support this venture and contact Vic.

Park and although we must be favoured to win we cannot take this team lightly. They beat us in the first round and the play us fresh from an upset win over Armadale, and will be very keen to win away from home. To balance this, we have recruited players like Wattleworth, Rose and Barnett since that game, who have seldom been out of our best players since joining the club.

Many thanks to Ray Hunter for the use of his place for the players tea last Friday night. Also our thanks to those people who helped prepare the meal.

Finally, we would like to extend a warm welcome to the Mandurah players, officials and supporters to join us at our After Game Social at the Wattlegrove Hall, immediately after the game.

THE KNIGHTS NOTES

I don't think I would be exaggerating when I say that last Sunday's performance by our league side was the worst in at least four years. We were represented by too many players who were apparently disinterested or couldn't be bothered trying.

For many the fundamentals of chasing, backing up, shepherding, handballing etc. were apparently forgotten. Consequently our team game fell apart and we were beaten in a most humiliating manner.

Good players were hard to find though none tried harder to life the side than Geoff Groenenberg. Alan Draggett played well on a talented opponent, Garry Cuckrov again battled hard all day and Mark Griffin was very determined on a half back flank. Others to do well at times were Noel Van Heythuysen, until injured and Mick Donovan.

Congratulations to the reserves side on their fighting win. They showed the courage and dedication which was lacking in our league side. Although under a lot of pressure they fought on grimly and their game, although played under poor conditions, was a better spectacle than the league game.

Best players in the reserves were Garry Ross, John Legena, Sandy Muir and Stephen Smith.

SOCIAL NOTES:

On August 19th a combined dance will be held with the Juniors at Medina Hall. Tickets are \$5.00 each. This price includes drinks. Bring a basket supper. The band is the very popular "select".

A "Beef and Burgundy" night will be held shortly per courtesy of Max Burton. Tickets will be available shortly and the price will be kept to a minimum. This will be run on similar lines to Gunter Fischers "Chicken and Champagne Breakfast" and promises to be a most enjoyable evening.

SEASIDERS

QLast week saw the Mandurah A Grade side return to the winning list and the B Grade side win again. There were scenes of great jubilation after the A Grade had completed the double against Armadale, a side who were in the top four. Both games were hard fought and it is to the credit of all our players that at stage in either game did they give up.

Let's hope that for the remainder of the season we can continue to fight hard and win some more games.

Our supporters are certainly behind the club as was shown last Sunday with the many donations and trophies.

Best Players: A. Grade: Barry Lehmann, Colin Beard, Mal Hicks, Brian Doy, Rusty Renfrey, Greg Rundell and Graham Doy.

Best Players: B. Grade: Tony Glass, Greg Cockran, Greg Reynolds and Kevin Luff.

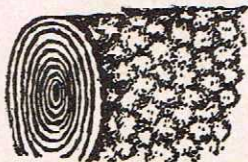

THE HAWKS

The league and reserves matches proved most exciting with close finishes against Kenwick last week.

Our league side retained their undefeated record clinching the game by a one point margin. Best players in this game were Ray Minson, Trevor Williams, Bob Shaw and Ken Reynolds.

The Reserves side were most unlucky losing by two points against the undefeated Kenwick team. Their effort was a great display of teamwork in view of the absence of four of their key players. Players who stood out in this game were Steve Moore, Shane Ferguson, Mick Lane and Len Millstead.

DEMONS DIGEST

1977 65 YEARS YOUNG

Today it's back down to Kwinana for our second round game against the Knights. Both teams don't need to be told the importance of this match, not that EVERY match isn't important.

Last week down at Mandurah, the former Armadale boy Colin "Bugsy" Beard virtually beat us on his own, in the league match. The Demons never hit the front until midway in the last quarter, only to surrender it soon after. This game served to show the type of player who won't give in at any stage. In my opinion there's not a better "fighter" in the team than "Sneaky" Pete Gajda. Others may be more skillful, more elegant if that's the word, but none can match that ATTITUDE that Sneaky has. Gary Greer is in the same vein, in my book, as is Ross "Bull" Stephen. I've never played this game, but I've played enough soccer and rugby to know that from now on, it's going to have to be that "back to the wall" attitude, roll your sleeves up, spit in your hands, and say to yourselves "Well fellas, it's them or us, and it AIN'T BLOODY WELL GOIN' TO BE US!!!"

The Reserves match ended in a ten point loss for the Demons, much to the disappointment of their coach Rowie. He was, however, very pleased with the performance of Ray Butler. Listening to the comments of others, Alan "Hendo" Henderson, and Mike Young deserve some mention. Apart from repeating the "Them or Us" bit that I've just said, I say to this team, put yourselves in Rowie's shoes, they're no bloody carpet slippers!

The Under 16's restored the "goodnews" for the Demons when they beat Kenwick by over 24 goals, at Kenwick. Coach Charlie Tenardi was well pleased with his team, and named Warwick Froyland, "Fonzie" Fonatana, and Tom Sheppard as the best players for the day. Congratulations to you all.

DISCONITE: Just where were the 'swinging' juniors two Fridays back? If anyone says they didn't know about it, they have either got to be walking around with their eyes and ears shut, or have a memory like a sieve! To those swingers that turned up and I might add, enjoyed themselves, thanks. Thanks also, to Abbott's Record shop in Kelmscott for their album donations. **RAFFLE** Should be available this week. The prize is a car trailer plus a "free" 1970 Ford Falcon 500 Sedan. The total value is about \$3,000. The tickets are only a dollar, and will be drawn at or close to our wind-up.

LAMINGTON DRIVE. Orders will be taken by any member of the committee for fresh, home cooked lamingtons, 90 cents per dozen. This is another fund raising effort, so please do the right thing you Demons! See Zoe Watson for full details.

THE LIONS

After a scrambled start, the weather must have dampened our hopes or boots and the game progressed with patches of inconsistent good and bad play. Team work when used had results but experience is missing. Tryers Lou, Grandad, Hunt.

The league team were against unbeatable odds and only time will tell. Players worked hard with never say die performances by Devil Denis, Capt. Osborne, and tryers gallant Gavin Cockram and lean Lloyd. Tremendous kicking by Coach Whyte (until injured) and congrats on reaching top of the league voting ladder. Added entertainment during the afternoon was provided by the gentlemen with the broken pram, worth a round of applause.

To kindred clubs that may not see many 'Lions' around on Sundays, this is mainly because there's not many of us (but the few we have are true blue).
